Attendance note/legal analysis

Practice area	Assessment criteria				
	Skills			Law	
	1	2	3	4	5
Wills and intestacy, probate administration and practice	4	4	4	2	3

* Information has been provided to help you understand how to read your scores, giving an overview of how the marks were calculated. Additional information can be found in the [Marking and Standard Setting Policy](#).

The assessment consists of 16 individually examined stations.

For each station a percentage score for Skills and a percentage score for Law is calculated from the assessment criteria scores.

Averaging the Skills and Law scores together provides a percentage score for the station, and the final mark is the average score achieved across all stations.

Note: for the ‘Interview’ and ‘Attendance Note/Legal Analysis’ station, the Skills score is the average percentage across both parts of the station (equally weighted), while the Law percentage is calculated from the ‘Attendance Note/Legal Analysis’ criteria alone as there is no Law score recorded for the ‘Interview’ part of this station.
